

Press Release: The Pakedge Easy-Delivery Service

September 29, 2014 – Canadian integrators are in for a treat - they will no longer be charged brokerage and duty fees when ordering from Pakedge Device & Software!

Previously, all Canadian Pakedge resellers had to pay a brokerage and duty fee when receiving their shipped equipment from the United States. Now under the Pakedge Easy-Delivery Service, Canadian resellers can experience the seamless process of a quick and easy product delivery.

The three advantages of the Pakedge Easy-Delivery Service:

1. Financial advantage – Save money from waived fees.
2. Convenience – No more waiting around for the UPS truck to arrive just to pay a brokerage fee.
3. Faster delivery – We can't make any promises, but there is a chance your package can arrive a day earlier!

Any purchases made on the Pakedge E-store after September 29th will receive the full benefits of the Pakedge Easy-Delivery Service.

Pakedge Device & Software Inc.

“Pakedge is an industry leading manufacturer of high performance end-to-end networking platforms for residential and commercial A/V applications. Pakedge is recognized by industry peers and winner of the prestigious CEPro Brand Leader award for Networking in 2013 and 2014 and specializes in integrating high performance engineering innovations, operational simplicity,

and systems engineering to develop technology that enables customers to unleash the power of their network.”
